MARCH 15, 2026 | DIVANI PALACE, LARISSA

Welcome to the FL Forum Larissa 2026.

The Foreign Languages Forum brings together educators, trainers, and educational organisations for a day dedicated to professional dialogue and practical insight in language education.

The programme explores key areas shaping contemporary ELT practice, including early literacy development, teenage learner behaviour, teacher wellbeing, evolving assessment pathways, and innovative classroom approaches.

Through a combination of professional presentations and educational sessions, the Forum aims to provide ideas that teachers can immediately connect to their own classroom experience.

Beyond the sessions themselves, FL Forum offers an opportunity for educators to meet colleagues, exchange perspectives, and reflect on the challenges and opportunities that define language teaching today.

We are delighted to welcome you to Larissa and wish you a productive and inspiring day.
